9/14/20

Parents & Students:

On September 14th, 2020 there was a meeting held with ONC BOCES Administration and the Otsego County Department of Health. It is my pleasure to inform you that the Otsego Area Occupational Center has been given clearance to open for in-person instruction beginning Monday September 21st. All OAOC programs that are not on our hybrid model of instruction will begin in-person on this day. Transportation will be provided by your home district. If your class is scheduled to be on a hybrid model, you will follow the schedule below.

ONC BOCES Instruction Models (Hybrid) CTE Courses following this model – Culinary Arts (afternoon), Auto Tech (afternoon) & Visual Arts (morning)					
	Monday	Tuesday	Wednesday	Thursday	Friday
Hybrid – A Cohort Cherry Valley-Springfield Cooperstown Edmeston Milford Sharon Springs	In-person	In-person	Remote	Remote	Remote
Hybrid – B Cohort Laurens Morris Oneonta Schenevus Worcester	Remote	Remote	Remote	In-person	In-person

Wednesdays are a remote learning day for students in all instructional models. Students are required to complete work outside the classroom and be accounted for on all remote instruction days. These are not days off for students; failure to log-in or be accounted for will count as a school absence. Students delivered to our campus by their District school bus will follow their District’s screening protocol to ensure they are symptom free of COVID-19. Students dropped off by a parent/guardian must have a parent/guardian come into the building to complete a COVID-19 symptom assurance form. Students that do not arrive by school bus, or without the required form, will not be permitted to enter the building. Remember, students may not transport themselves while COVID-19 restrictions are still in place. I look forward to seeing our students thrive in the classroom on September 21st! Should you have any questions, please contact my office (607)-286-7715.

Sincerely,
 Ryan DeMars

Building Principal – Otsego Area Occupational Center
